
Briefing Date: Mar 3 2020
Funding Source: Purchasing
Originating Department: Purchasing
Prepared by: Abri-Gayle Sterlacci, Contract Specialist
Recommended by: Michael Frosch, Director of Purchasing

BACKGROUND INFORMATION:
The six-month contract extension does not encumber funds; the purpose of this extension is to continue firm pricing for janitorial services for a six month period, which are ordered on an as needed basis according to annual budgetary appropriations. The estimated amount is intended as guidance rather than a cap on spending under the agreement so that actual need combined with the amount budgeted will determine the amount spent under this agreement.

This extension allows collaboration between departments to finalize specifications and issue a request for proposals to solicit janitorial services for all facilities within the County. Additionally, this extension will allow for janitorial services to continue at the Henry Wade Juvenile Justice Center, Juvenile Justice Alternative Education Program Facility, and Panoramic Circle Facility under the same terms and conditions of the original contract.

The final specifications are anticipated to be briefed to the Commissioners Court consideration on your March 24, 2020 agenda.
