E. **LIABILITY.** Department shall not be liable for any costs incurred by Subrecipient after termination or during suspension of this Contract or for any costs that are disallowed.

F. **GENERAL.** Subrecipient's failure to expend the funds provided under this Contract in a timely manner may result in either the termination of this Contract or Subrecipient's ineligibility to receive additional funding under WAP, or a reduction in the original allocation of funds to Subrecipient.

**SECTION 8. ALLOWABLE EXPENDITURES**

Subrecipient shall make no payment to subcontractor until all work is complete and has passed a final inspection.

B. In no event shall any provision of this Section 15, specifically the requirement that Subrecipient obtain Department's prior written approval of a subcontractor, be construed as relieving Subrecipient of the responsibility for ensuring that the performances rendered under all subcontracts are rendered so as to comply with all of the terms of this Contract, as if such performances rendered were rendered by Subrecipient. Department's approval under this section does not constitute adoption, ratification, or acceptance of Subrecipient's or subcontractor's performance hereunder. Department maintains the right to monitor and require Subrecipient's full compliance with the terms of this Contract. Department's approval under this Section 15 does not waive any right of action which may exist or which may subsequently accrue to Department under this Contract.

C. Every initial assessment, every priority list measure, every approved State of Texas Energy Audit, and every final inspection is the sole responsibility of the Subrecipient. Subrecipient may request in writing that the Department permit the Subrecipient to subcontract the performance of assessments, audits and final inspections. The Department will review each request separately to determine whether the request will be granted.
SECTION 16. MANAGEMENT OF EQUIPMENT AND INVENTORY

A. Subrecipient acknowledges that any vehicles, tools, and equipment with a unit acquisition cost of $5,000.00 or more and a useful life of more than one year, if purchased in whole or in part with funds received under this or previous weatherization assistance program Contracts, are not assets of either the Subrecipient or the Department but are held in trust for the Weatherization Assistance Program and as such are assets of the Weatherization Assistance Program.

B. Subrecipient shall develop and implement a property management system, which complies with 10 TAC §1.407. Subrecipient shall not use, transfer, or dispose of any property acquired in whole or in part with funds provided under this or a previous weatherization assistance program Contract except in accordance with its own property management system.

C. Upon termination of this Contract or non-renewal of the funds hereunder, the Department may require transfer of the title of equipment to a third party named by the Department. Such a transfer shall be subject to the following standards:

1. The equipment shall be appropriately identified in the award or otherwise made known to the recipient in writing.
2. The Department will issue disposition instructions after receipt of final inventory.

D. Subrecipient shall establish adequate safeguards to prevent loss, damage, or theft of property acquired hereunder and shall promptly report to Department any loss, damage, or theft of property with an acquisition cost of Five Thousand and No/100 Dollars ($5,000.00) or more.

E. In addition to the inventory of tools and equipment required under Section 10C, Subrecipient shall take a physical inventory of all WAP materials and shall reconcile the results with its property records at least once every year. Any differences between quantities determined by the inventory and those shown in the property records shall be investigated by Subrecipient to determine the cause of the difference.

SECTION 17. BONDING AND INSURANCE REQUIREMENTS

A. PAYMENT AND PERFORMANCE BOND REQUIREMENTS. If Subrecipient will enter into a contract for weatherization activities with a third-party in the amount of $25,000.00 or greater, Subrecipient must execute with the contractor a payment bond in the full amount of the contract. If the Subrecipient enters into a contract with a prime contractor in excess of $100,000.00, a performance bond in the full amount of the contract is also required. These bonds must be executed by a corporate surety authorized to do business in Texas, a list of which may be obtained from the State Insurance Department. Such assurances of completion will run to the Department as obligee and must be documented prior to the start of weatherization activities. This bonding requirement applies as set forth in 10 TAC §1.405 and to the extent required by federal or state law.

B. INSURANCE REQUIREMENTS. Subrecipient shall maintain adequate personal injury and property damage liability insurance. Subrecipient is encouraged to obtain pollution occurrence insurance in addition to the general liability insurance. Generally, regular liability insurance policies do not provide coverage for potential effects of many health and safety measures, such as lead disturbances and other pollution occurrence items. Subrecipient should review existing policies to determine if lead contamination is covered. If it is not, Subrecipient should consider securing adequate coverage for all construction projects. Additional liability insurance costs may be paid from administrative funds. The Department strongly recommends the Subrecipient require their contractors to carry pollution occurrence insurance to avoid being liable for any mistakes the contractors may make. Each agency should get a legal opinion regarding the best course to take for implementing the pollution occurrence insurance coverage.

SECTION 18. LITIGATION AND CLAIMS

Subrecipient shall give Department immediate written notice of any claim or action filed with a court or administrative agency against Subrecipient and arising out of the performance of this Contract or any subcontract hereunder. Subrecipient shall furnish to Department copies of all pertinent papers received by Subrecipient with respect to such action or claim.
SECTION 19. TECHNICAL ASSISTANCE AND MONITORING

A. Department may issue technical guidance to explain the rules and provide directions on the terms of this Contract. Installation of weatherization materials shall be in accordance with the Material Installation Standards Manual.

B. Department or its designee may conduct on and off-site monitoring and evaluation of Subrecipient's compliance with the terms of this Contract. Department's monitoring may include a review of the efficiency, economy, and efficacy of Subrecipient's performance. Department will notify Subrecipient in writing of any deficiencies noted during such monitoring. Department may provide training and technical assistance to Subrecipient in correcting the deficiencies noted. Department may require corrective action to remedy deficiencies noted in Subrecipient's accounting, personnel, procurement, and management procedures and systems in order to comply with State or Federal requirements. Department may conduct follow-up visits to review the previously noted deficiencies and to assess the Subrecipient's efforts made to correct them. Repeated deficiencies may result in disallowed costs. Department may terminate or suspend this Contract or invoke other remedies Department determines to be appropriate in the event monitoring reveals material deficiencies in Subrecipient's performance, or Subrecipient fails to correct any deficiency within a reasonable period of time, as determined by the Department. Department or its designee may conduct an ongoing program evaluation throughout the Contract Term.

SECTION 20. LEGAL AUTHORITY

A. LEGAL AUTHORITY. Subrecipient assures and guarantees that it possesses the legal authority to enter into this Contract, to receive and manage the funds authorized by this Contract, and to perform the services Subrecipient has obligated itself to perform hereunder. The execution, delivery, and performance of this Contract will not violate Subrecipient's constitutive documents or any requirement to which Subrecipient is subject and represents the legal, valid, and binding agreement of Subrecipient, enforceable in accordance with its terms.

B. SIGNATURE AUTHORITY. The person signing this Contract on behalf of Subrecipient hereby warrants that he/she has been authorized by Subrecipient’s governing board to execute this Contract on behalf of Subrecipient and to validly and legally bind Subrecipient to all terms, provisions and performances herein.

C. TERMINATION; LIABILITY. Department shall have the right to suspend or terminate this Contract if there is a dispute as to the legal authority of either Subrecipient or the person signing this Contract on behalf of Subrecipient, to enter into this Contract or to render performances hereunder. Subrecipient is liable to Department for any money it has received from Department for performance of the provisions of this Contract, if the Department has terminated this Contract for reasons enumerated in this Section 20.

D. MERGER; DEFAULT. Subrecipient understands that it is an event of default under this Contract if the Subrecipient liquidates, terminates, dissolves, merges, consolidates or fails to maintain good standing in the State of Texas, and such is not cured prior to causing material harm to Subrecipient’s ability to perform under the terms of this Contract.

SECTION 21. COMPLIANCE WITH LAWS

A. FEDERAL, STATE AND LOCAL LAW. Subrecipient shall comply with the LIHEAP Act, the WAP Act, the WAP Regulations, the LIHEAP Regulations, any applicable Office of Management and Budget (“OMB”) Circulars, the Texas DOE WAP State Plan, LIHEAP State Plan, the State Act, the State Rules, the certifications attached, and all federal, state, and local laws and regulations applicable to the performance of this Contract. Subrecipient shall not violate any federal, state, or local laws, stated herein or otherwise, nor commit any illegal activity in the performance of or associated with the performance of this Contract. No funds under this Contract shall be used for any illegal activity or activity that violates any federal, state or local laws.

C. **LIMITED ENGLISH PROFICIENCY ("LEP").** Subrecipient must provide program applications, forms, and educational materials in English, Spanish, and any appropriate language, based on the needs of the Service Area and in compliance with the requirements in Executive Order 13166 of August 11, 2000 of August 11, 2000. To ensure compliance, the Subrecipient must take reasonable steps to insure that persons with LEP have meaningful access to the program. Meaningful access may entail providing language assistance services, including oral and written translation, where necessary.

D. **INFORMATION SECURITY AND PRIVACY REQUIREMENTS.** Subrecipient shall comply with the information security and privacy requirements under 10 TAC §1.24 to ensure the security and privacy of Protected Information (as said term is defined under 10 TAC §1.24).

E. **PREVENTION OF TRAFFICKING.** Subrecipient and its contractors must comply with Section 106(g) of the Trafficking Victims Protection Act of 2000, as amended (22 U.S.C. §7104 et seq.). If Subrecipient or its contractor or subcontractor engages in, or uses labor recruiters, brokers or other agents who engage in any of the prohibited activities under Section 106(g) of the Trafficking Victims Protection Act of 2000, Department may terminate this Contract and Subrecipient hereby agrees and acknowledges that upon termination, Subrecipient’s rights to any funds shall be terminated.

**SECTION 22. PREVENTION OF FRAUD AND ABUSE**

A. Subrecipient shall establish, maintain, and utilize internal control systems and procedures sufficient to prevent, detect, and correct incidents of waste, fraud, and abuse in the WAP and to provide for the proper and effective management of all program and fiscal activities funded by this Contract. Subrecipient's internal control systems and all transactions and other significant events must be clearly documented and the documentation made readily available for review by Department.

B. Subrecipient shall give Department complete access to all of its records, employees, and agents for the purpose of monitoring or investigating the WAP. Subrecipient shall fully cooperate with Department's efforts to detect, investigate, and prevent waste, fraud, and abuse. Subrecipient shall immediately notify the Department of any identified instances of waste, fraud, or abuse.

C. Subrecipient may not discriminate against any employee or other person who reports a violation of the terms of this Contract or of any law or regulation to Department or to any appropriate law enforcement authority, if the report is made in good faith.

**SECTION 23. CERTIFICATION REGARDING UNDOCUMENTED WORKERS**

Pursuant to Chapter 2264 of the Texas Government Code, by execution of this Contract, Subrecipient hereby certifies that Subrecipient/Local Operator, or a branch, division, or department of Subrecipient does not and will not knowingly employ an undocumented worker, where "undocumented worker" means an individual who, at the time of employment, is not lawfully admitted for permanent residence to the United States or authorized under law to be employed in that manner in the United States. If, after receiving a public subsidy, Subrecipient, or a branch, division, or department of Subrecipient is convicted of a violation under 8 U.S.C. §1324a(f), Subrecipient shall repay the public subsidy with interest, at a rate of five percent (5%) per annum, not later than the 120th day after the date the Department notifies Subrecipient of the violation.

**SECTION 24. CONFLICT OF INTEREST/NEPOTISM**

A. Subrecipient shall maintain written standards of conduct governing the performance of its employees engaged in the award and administration of contracts.

B. No employee, officer, or agent of Subrecipient shall participate in the selection, award, or administration of a contract supported by federal funds if a real or apparent conflict of interest would be involved. Such a conflict would arise when the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of the parties indicated herein, has a financial or other interest in the firm selected for an award.

C. The officers, employees, and agents of the Subrecipient shall neither solicit nor accept gratuities, favors, or anything of monetary value from contractors, or parties to subagreements. Subrecipient may set standards for situations in which the financial interest is not substantial or the gift is an unsolicited item of nominal value. The standards of conduct shall provide for disciplinary actions to be applied for violations of such standards by officers, employees, or agents of the Subrecipient.
D. Subrecipient shall, in addition to the requirements of this Section 24, follow the requirements of Chapter 171 of the Local Government Code regarding conflicts of interest of officers of municipalities, counties, and certain other local governments.

E. Failure to maintain written standards of conduct and to follow and enforce the written standards is a condition of default under this Contract and may result in termination of this Contract or deobligation of funds.

SECTION 25. POLITICAL ACTIVITY AND LEGISLATIVE INFLUENCE PROHIBITED

A. None of the funds provided under this Contract shall be used for influencing the outcome of any election, or the passage or defeat of any legislative measure. This prohibition shall not be construed to prevent any state official or employee from furnishing to any member of its governing body upon request, or to any other local or state official or employee or to any citizen information in the hands of the employee or official not considered under law to be confidential information.

B. No funds provided under this Contract may be used directly or indirectly to hire employees or in any other way fund or support candidates for the legislative, executive, or judicial branches of government of Subrecipient, the State of Texas, or the government of the United States.

C. None of the funds provided under this Contract shall be used to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award governed by the Byrd Anti-Lobbying Amendment (31 U.S.C. §1352) as the Development Owner and each of its tiers have certified by their execution of the “Certification Regarding Lobbying for Contracts, Grants, Loans, and Cooperative Agreements” attached hereto as Addendum A and incorporated herein for all relevant purposes.

SECTION 26. NON-DISCRIMINATION, EQUAL ACCESS AND EQUAL OPPORTUNITY

A. NON-DISCRIMINATION. A person shall not be excluded from participation in, be denied the benefits of, be subjected to discrimination under, or be denied employment in the administration of or in connection with any program or activity funded in whole or in part with funds made available under this Contract, on the grounds of race, color, religion, sex, national origin, age, disability, political affiliation or belief.

B. EQUAL OPPORTUNITY. Subrecipient agrees to carry out an Equal Employment Opportunity Program in keeping with the principles as provided in President's Executive Order 11246 of September 24, 1965, as amended, and its implementing regulations at 41 CFR Part 60.

C. REASONABLE ACCOMMODATIONS. Subrecipients shall operate each program or activity receiving financial assistance so that the program or activity, when viewed in its entirety, is readily accessible and usable by individuals with disabilities. Subrecipients are also required to provide reasonable accommodations for persons with disabilities.

E. SUBCONTRACTS. Subrecipient will include the substance of this Section 26 in all subcontracts.

SECTION 27. TRAINING AND TECHNICAL ASSISTANCE FUNDS

A. Training and technical assistance funds shall be used for State sponsored LIHEAP training, federal sponsored LIHEAP training, and other relevant workshops and conferences provided the agenda includes topics directly related to administering WAP. For training and technical assistance other than State or LIHEAP sponsored, Subrecipient must receive prior written approval from the Department.

B. Travel funds are to be used only for Department-approved training events. Subrecipient shall adhere to either its board-approved travel policy (not to exceed the amounts established in subchapter I of Chapter 57 of Title 5, United States Code, Travel and Subsistence Expenses; Mileage Allowances), or in the absence of such a policy, the State of Texas travel policies under 10 TAC §1.408. Subrecipient’s written travel policy shall delineate the rates which Subrecipient shall use in computing the travel and per diem expenses of its board members and employees.
SECTION 28. DEBARRED AND SUSPENDED PARTIES

By signing this Contract, Subrecipient certifies that none of its principal employees, board members, agents, or contractors are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded by any federal department or agency as provided in the Certification Regarding Debarment, Suspension and Other Responsibility Matters attached hereto as Addendum D and incorporated herein for all relevant purposes. The terms “covered transaction”, “debarred”, “suspended”, “ineligible”, “lower tier covered transaction”, “participant”, “person”, “primary covered transaction”, “principal”, “proposal”, and “voluntarily excluded”, as used in the certification attached as Addendum D, have the meaning set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. Subrecipient also certifies that it will not knowingly award any funds provided by this Contract to any person who is proposed for debarment under 48 CFR Part 9, Subpart 9.4 or that is debarred, suspended, or otherwise excluded from or ineligible for participation in federal assistance programs under Executive Order 12549. Subrecipient agrees that prior to entering into any agreement with a potential subcontractor that the verification process to comply with this requirement will be accomplished by checking the System for Award Management (“SAM”) at www.sam.gov and including a copy of the results in its project files. Subrecipient may decide the frequency by which it determines the eligibility of its subcontractors except that Subrecipient must verify at the start of a new contract or with the award of additional funding. Subrecipient may rely upon a certification of a prospective subcontractor that is not proposed for debarment under 48 CFR Part 9, Subpart 9.4, debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless Subrecipient knows that the certification is erroneous. Failure of Subrecipient to furnish the certification attached hereto as Addendum D or an explanation of why it cannot provide said certification shall disqualify Subrecipient from participation under this Contract. The certification or explanation will be considered in connection with the Department’s determination whether to continue with this Contract. Subrecipient shall provide immediate written notice to Department if at any time Subrecipient learns that the certification was erroneous when submitted or has become erroneous by reason of changed circumstances. Subrecipient further agrees by executing this Contract that it will include the certification provision titled “Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusive-Subcontracts,” as set out in Addendum D, without modification, and this language under this Section 28, in all its subcontracts.

SECTION 29. NO WAIVER

Any right or remedy given to Department by this Contract shall not preclude the existence of any other right or remedy, nor shall any action taken in the exercise of any right or remedy be deemed a waiver of any other right or remedy. The failure of Department to exercise any right or remedy on any occasion shall not constitute a waiver of Department's right to exercise that or any other right or remedy at a later time.

SECTION 30. ORAL AND WRITTEN AGREEMENTS

As described in Chapter 154, Civil Practices and Remedies Code, ADR procedures include mediation. Except as prohibited by Department’s ex parte communications policy, Department encourages informal communications between Department staff and the Subrecipient, to exchange information and informally resolve disputes. Department also has administrative appeals processes to fairly and expeditiously resolve disputes. If at any time the Subrecipient would like to engage Department in an ADR procedure, the Subrecipient may send a proposal to Department’s Dispute Resolution Coordinator. For additional information on Department’s ADR policy, see Department’s Alternative Dispute Resolution and Negotiated Rulemaking at 10 TAC §1.17.

This certification is required by the regulations implementing the Drug-Free Workplace Act of 1988: 45 CFR Part 76, Subpart F. Sections 76.630(c) and (d)(2) and 76.645 (a)(1) and (b) provide that a Federal agency may designate a central receipt point for STATE-WIDE AND STATE AGENCY-WIDE certifications, and for notification of criminal drug convictions. For the Department of Health and Human Services, the central point is: Division of Grants Management and Oversight, Office of Management and Acquisition, Department of Health and Human Services, Room 517-D, 200 Independence Avenue, SW Washington, DC 20201.

The undersigned certifies that it will or will continue to provide a drug-free workplace by:
